DISCUSSION	Jason Snook discussed his program Aware Recovery Care, a home-visit based recovery model.	
	The program is currently operating in Maine, NH, and Rhode Island. Aware Recovery Center's Recovery Program is now available in New Hampshire. The model provides in-home support for those in recovery. The program currently is open to Anthem Blue Cross and Blue Shield plan members. A deductible or co-payment may apply; private insurance is also accepted.

Topic: Prevention - Youth Empowerment

DISCUSSION	C3PH has received a small grant from SAMSHA (stopalcoholabuse.com) to conduct two Town Hall Meetings in Carroll County before December 31, 2019. The current plan is to engage the youth who attended the Youth Leadership Conference in January to prepare a presentation/town hall meeting in the fall of 2019. The goal is to have a presentation at Kennett High and Kingswood Regional HS that would involve students from each high school and the feeder middle schools. Stipends would be provided for an adult advisor in each location.

Topic: Prevention – Take Back Day April 25, 2019 across Carroll County

DISCUSSION	The DEA National Prescription Take Back Day was well represented by Carroll County Law Enforcement. Local Police Departments participating in the day included Bartlett, Conway, Jackson, Madison, Tamworth, Tuftonboro, Moultonborough, Sandwich, Wakefield, and Wolfeboro. The Carroll County Sheriff's Office also participated. We collected 692 pounds of unwanted medication.	
There are now permanent collection boxes in Conway, Moultonborough, Madison, Wolfeboro, and the Carroll County Sheriff's Office. Locations are in the lobbies of each agency.		
CONCLUSIONS	At this time most local Police Departments are participating. Small departments often have difficulty covering the Take Back events and conducting normal business.
