

New Hampshire's Prescription Drug Drop Box Initiative

Prescription drugs are often misused due to increased availability and easy access to a variety of unused medications in the home. Dispose extra, unwanted or expired prescription drugs safely and securely at a collection box located at a police department near you.

All prescription drug drop box programs must comply with the rules outlined here: http://www.gencourt.state.nh.us/rules/state_agencies/jus1600.html. For more information, please contact Benjamin Agati at benjamin.agati@doj.nh.gov. If a drop box is located at your police department and is not listed below, please contact Rekha Sreedhara at rsreedhara@jsi.com.

Visit your local police department to anonymously discard of unused or unwanted medications!
