NAMI Family-to-Family is a free, 9-session education program for family, friends, loved ones, and significant others of adults with mental health conditions. NAMI Family-to-Family provides information about anxiety, depressive disorders, schizophrenia, bipolar disorder and other mental health conditions. Other topics covered include communication, problem solving, treatment, and recovery.

The course is designed to increase understanding and advocacy skills while helping participants maintain their own well-being. The program is taught by trained family members who have a loved one with a mental health condition. NAMI Family-to-Family is an evidence-based program (EB). For information on the research base for the program, visit <u>nami.org/research</u>.

NAMI NH offers the NAMI Family-to-Family Education Program free of charge to participants. Monday evening classes start April 8, 2024 from 6pm to 8:30pm, classes will be held on Zoom.

> Registration is required, please contact: Pam Burns at 603-345-5304 or <u>NashuaNAMINH@gmail.com</u>

Participant Perspectives

"This course overall was the single most, without a doubt, helpful and informative thing ever offered in all my years searching for answers...it has helped me to understand better and communicate more effectively with my brother."

"The course has helped me to realize that my son is still inside the body that is often times hidden by the mental illness and that I am not alone in this."

About NAMI

NAMI, the National Alliance on Mental Illness, is the nation's largest grassroots mental health organization dedicated to building better lives for the millions of Americans affected by mental illness. NAMI New Hampshire and dedicated volunteer members and leaders work tirelessly to raise awareness and provide essential education, advocacy and support group programs for people in our community living with mental illness and their loved ones.

Participant Perspectives

"NAMI Peer-to-Peer is uplifting, life-saving and an eye-opening experience that changed how I see myself."

"The biggest thing I gained from this class was to become my own advocate and best friend."

"Seeing my peers' strength and dedication to their recovery was personally meaningful."

Alternative Peer Groups

Supporting One Another to Make Healthy Choices about Substance Use

What Are Alternative Peer Groups?

Creating Connections NH is building supportive recovery communities called Alternative Peer Groups (APGs) for youth and young adults with substance use challenges. APGs offer young people a chance to connect at least once a week with peers in an environment that is fun, safe, substance-free, and recovery-focused.

APGs Provide...

- Connection through a supportive peer environment
- Fun, substance free activities
- Sense of belonging
- Focus on health and wellness

More Than Just Meeting Up

- APG Facilitators are trained recovery support professionals
- Youth help choose fun group activities that match their interests
- Opportunities for family/ caregiver involvement
